Message from the Board

This abbreviated newsletter contains two very important items. First, it is your annual dues invoice. Second, it contains a ballot asking your approval for a change in our bylaws. The board recommends all suggested bylaw changes be approved. Please tear off the last third of this tri-fold and mail back both your dues check, and your votes on the 4 proposed bylaw changes. In general, the board is suggesting changes that will increase the value of a permanent membership when compared to a wait-list membership. The board feels it is critical to the long term survival of the pool that there is a clear value to becoming a permanent member vs remaining on the wait-list indefinitely.

In an effort to reduce expenses and simplify payment of dues, we have posted the annual newsletter on the Manor Woods Swim Club web page – www.manor-woods.com. Please download a copy, as the newsletter contains news about many changes that we are making for the 2011 season.
